LOCAL NEWS.

FRIDAY EVENING, MAY 10.

BUSINESS .- As a refutation of the continu ed assertion of the extreme duliness of the times, and that "there is no business doing"assertions which tend materially to injure the business prospects of a place, we are informed prominent speakers. Advice was given the by one of our most prominent commission merchants, that in an experience of fifteen years in Alexandria, during which period he direct means of restoring Virginia to repose, has been actively engaged in business, he never knew as much grain brought to and sold in this market, during the same time, as there has been from the 1st of last January up to the present time. This should encourage our of Norfolk, a member of the Union Republi people, and cause them to anticipate a brighter future; for when it is taken into consideration that much of the back country tributary to Alexandria has been devastated by war, and this source of our trade thus for the time, stopped; how much greater will be the business and trade of the city, when this rich expanse of country, now a waste, shall be again occupied and cultivated, and pouring into our market its products; when peace and quiet shall be again established, and when civil liberty shall once more hold sway over the land.

CHESAPEAKE & OHIO CANAL. -Two breaks have occurred in the banks of the Chesapeake and Ohio Canal, one at the Cumberland Coal and Iron Company's wharf at Georgetown, and the other at Big Slack Water Level, some dis tance above, which last has necessitated the shutting off of the water, and the corsequent suspension of navigation below that point. For No notice was taken of the indignity. - Ruch the break at Georgetown and the resulting se rious damage received by the mills and other property located there, the people of that town may thank certain of their own residents, who, in their anxiety to overflow and wash away the Alexandria Canal, caused more wa ter to be let on the Georgetown level than it could bear. The Alexandria Canal is in excellent condition throughout its entire length, and the great pressure it successfully sustained during the prevalence of the late storm is a gratifying evidence of its ability to withstand unusual strains.

RIVER BOATS. - The Wawaset from Currioman, due here on Wednesday, because of the late storm did not arrive until yesterday evening, and in consequence of the non-arrival of the Hi. Livingston, the boat destined to take her place on that route, started on her usual trip this morning.

The Express, from Baltimore, due here likewise on Wednesday, did not arrive until yesterday evening, in consequence of the weather. The Collyer took an excursion party, consisting ot some members of the Cabinet and their friends, to Mt. Vernon to-day.

The Mariner is on the ferry line between this city and Washington, temporarily in place of the Collyer.

The Hi. Livingston, the boat to commence the new Norfolk line, and to take the route of the Wawaset, is expected here early next \$1.50 to \$6 per yard, and all warranted as low

RELIEF FOR THE SOUTH. - As will be seen by reference to an advertisment of Major J. H. Johnson, Chief Engineer and General Superintendent of the Manassas Gap Railroad, that Company has agreed to transport over its length, free of charge, all contributions in aid of the suffering people in the South. It is understood that a considerable quantity of grain and other produce has been cheerfully subscribed by some of the farmers, living along the line of this road, to assist in relieving the wants of the starving population of the sections further South, which, will thus be enabled the more speedily, to reach its destination.

MARYLAND FERRY. -The committee of merchants, appointed at the meeting held last week, of those favorable to the establishment of a steam ferry between this city and the opposite Maryland shore, to solicit subscriptions, have commenced their labors, and, up to this morning, had succeeded in obtaining upwards of chases of us, as we mark all our goods in plain \$3,500, which, with the amount subscribed in figures at the lowest cash price, from which no Marvland, is increased to a sum exceeding lowing desirable goods, viz:

HOOK AND LADDER COMPANY. - An adjourned meeting, of those who contemplate forming a Hook and Ladder Company, will be held to night, in the rooms of the Old Dominion Base Ball Club, No. 69 King street, to receive the reports of the Committees appointed at the last meeting, and, it a favorable condition of affairs is ascertained to exist, to perfect the organization of the Company.

I. O. R. M.-Great Sachem Birch, of the Great Council of the Independent Order of Red Men, of the District of Columbia, paid a visit to Osceola Tribe, of that order, of this city, last night, for the purpose of delivering some instructions. After the conclusion of the business of the Council the visitor was hospitably entertained at Tennesson's.

ALEXANDRIA. - The following concerning Alexandria, is taken from the Winchester Times: "We are glad to notice that Alexandria is seeking to raise itself to a city of business importance. The reconstruction of the troleum Oil, &c., &c., received and for sale at mess importance. The reconstruction of the the lowest rates by Manassas Gap Railroad, and finishing of the my 10-tf Nos. 39 and 220 King street. Alexandria, Loudoun and Hampshire Railroad to Leesburg, will have a considerable influence in restoring the trade of the venerable town.'

IMPROVING .- John Mitchell, who was struck by a block on the steamer E. C. Knight, a few days ago, and seriously injured, and Samuel store and for sale by King, who was hurt while at work on a piledriver, in Georgetown, on 2d instant, are both recovering rapidly.

FIREMEN'S CONVENTION .- At a meeting of the Sun Fire Company last night the following members were elected delegates to the Firemen's Convention, to be held next week: John Sullivan, Hugh Latham, Wm. Jenkins, Thos Mitchel, and Thos. Hall.

ACCIDENT .. - James Knox, a driver for Thomas Lannon, was accidently thrown from his wagon this morning, at King street dock, and severely, though not dangerously injured.

CIRCUS. - Mike Lipman's grand circus will arrive in this city to-morrow morning by the Sale by [my 4] GWIN & BECKHAM. Orange and Alexandria Railroad cars.

POLICE REPORT-MAYOR'S OFFICE. -Georgianna Nelson, colored, for disorderly conduct, on complaint of Harrison Blackburn, also colored, was dismiseed, and the costs of the case assessed against the complainant.

The colored people of James . City county recently held a public meeting at Chickahominy Church, which was addressed by several colored people to harmonize and co-operate with all men, black or white, Union or Conservative, who were pursuing the most effectual and to the rule of law, and to prosperity, and that. in the ensuing election for members of the Convention, they should vote for men who will frame such a Constitution as will be at once accepted by Congress. Mr. C. W. Buttz, can party, also addressed the people in a Conservative speech, and endeavored to disabuse their minds concerning confiscation.

RADICALISM.—The ultimate principles of a radical party do not admit of statement and limitation. Success deepens radicalism, and the wildest advance into extreme measures needs only the preparation of party drill, and public education. The public mind, grown familiar with vague theories, and restless for any alternative that promises repose, accepts the last version of the radical creed as the true one. Alas! the series is infinite, and the end incalculable !- Baltimore Sun.

CONTEMPT OF COURT.—Yesterday, during the session of the Mayor's Court, whenever a witness in giving in his evidence would allude to the black man as a "negro," audible hisses were uttered among the throngs of that class who packed the court-room. The offence was repeated more than once, and certainly amounted to a palpable contempt of court .-
